Technifer C.G.C

COMPANY PROFILE

CONAKRY, GUINEA · SINCE 1991

Building Guinea's future

Building, public works, steel construction and marine works.

THE COMPANY

Trust is built project by project

Founded in Conakry in 1991, Technifer C.G.C helps companies and institutions build, renovate and maintain their facilities.

Around fifty full-time employees, our own equipment and complementary skills: our strength is a team that knows its ground.

THE FOUNDER

Kelety Camara

Founder · Civil engineer

Graduate of the Higher Polytechnic Institute of Havana, Cuba. Before founding Technifer C.G.C in August 1991, he worked for many years as a subcontractor, including for SOGUIBAT, SOMT and SNEE.

The teams behind our projects

OUR EXPERTISE

Complementary skills

Building and public works

Apartment buildings, villas and institutional buildings, from earthworks to finishes.

Steel construction

Roof structures, frames and steel works: design, installation, welding and reinforcement.

Marine works

Renovation of pontoons and quays, corrosion treatment, structural repairs.

Civil equipment

Site works, networks and equipment for industrial and institutional sites.

Window films

Technical films: comfort, security and solar protection. European (CE) films with a 10-year guarantee.

Joinery and fit-out

Joinery workshop, false ceilings, custom interior fittings.

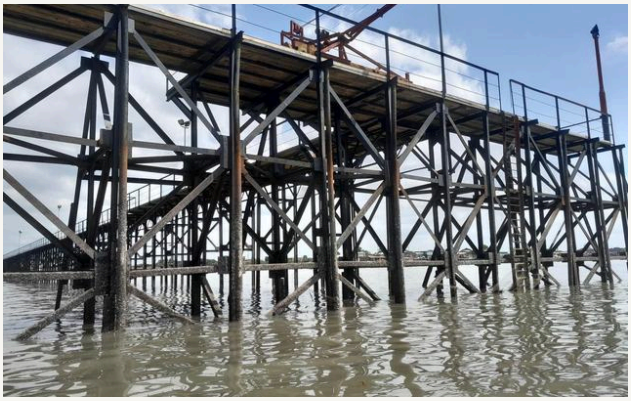

CLIENTS

Clients and project owners we have worked for

- BICIGUI (BNP Paribas)
- Afriland First Bank
- Société Navale de Guinée
- S.E.E.G
- Ministry of Agriculture (P.D.R.I)
- Ahmed Sékou Touré International Airport
- HUAWEI Guinea
- INJELEC
- Société Générale (SGBG)
- SOBRAGUI
- Guinéenne des Mines (G.D.M)
- Agence Française de Développement
- National Gendarmerie
- ORANGE Guinea
- DELMAS Guinea
- Ostergaard Guinea

SELECTED REFERENCES

Our know-how shows on the ground

MARITIME

Renovation of a pontoon and its quay in Kamsar

Close to 500 linear metres of marine structure renovated: steel structure reinforced, corrosion treated, new decking in class 4 pressure-treated Scots pine and a fully secured walkway.

Client: Société Navale de Guinée

BUILDINGS

G+6 building, head office of the Banque Nationale de Guinée (BNG)

Construction of a G+6 building in the heart of Conakry: excavation, basement, retaining walls, floor slabs, then structural work and rendering.

Client: Elhadj Mamadou Lamarana Diallo

BUILDINGS

Construction of a building housing the UBA bank head office in Almamya, with basement

Construction of the UBA bank head office in Almamya: basement concreting, hollow-block floors, stairs, lift shaft formwork and structural work.

Client: Elhadj Mamadou Saliou Diallo

INDUSTRIAL

Fit-out of the Guinéenne des Mines (G.D.M) logistics base in Kolaboui

Earthworks, concrete block making and construction of the base facilities ahead of mining operations, including installing a 50,000 litre tank on concrete cradles.

Client: G.D.M

SELECTED REFERENCES

PUBLIC WORKS

Construction of the stormwater drainage network at the SOBRAGUI plant, Madina

Breaking of high-strength reinforced concrete floors with a hydraulic breaker, including trenching to lay 400 mm PVC pipes with a ring stiffness of 8 kN/m², designed for gravity drainage of buried networks under heavy-traffic areas. Construction of a manhole with a settling tank.

Client: SOBRAGUI

INDUSTRIAL

Construction of a fire hydrant for the oil terminal at the Port Autonome de Conakry (P.A.C)

Supply and installation of 120 x 40 mm steel pipes for the fire hydrant. The pipes run alongside the fuel lines up to the platform where the hydrant was installed.

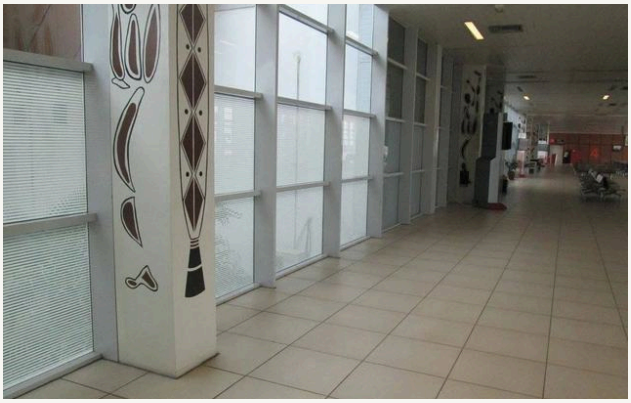

Client: Société d'Exploitation des Eaux de Guinée (S.E.E.G)

STEELWORK

Building a 750 m² steel hangar, step by step

Fabrication workshop for a 750 m² hangar in Ansoumanya: cutting and assembling the sections, then lifting and erecting the frame on site.

WINDOW FILMS

Window film installation

Supply and installation of window films for bank branches, companies and Ahmed Sékou Touré International Airport. Our films are made in Europe (CE) and guaranteed for 10 years.

Clients: BICIGUI (BNP Paribas), SGBG (Société Générale), HUAWEI Guinea, Afriland First Bank, Ahmed Sékou Touré International Airport, DELMAS Guinea, ORANGE Guinea
